A REGULAR CIRCUS.

Trying To Give A Little Girl Cod Liver Oil.

An interesting incident was told in Penny's Drug Store the other evening. A man came in and bought a bottle of Vinol and while waiting for change engaged the clerk in conversation.

Said he: "We are told to give our little girl cod liver oil. I bought a bottle and took it home. We had a regular circus trying to get the child to take it. Then it did not agree with her at all, the oil upset her stomach. She did not get any better, so I told the doctor how we had failed, and he at once recommended your Vinol, saying that it contained all of the curative, healing and strengthening properties of cod liver oil without a drop of oil, and that children all love its taste.

"I took home a bottle and we began to give it to our child right away. She said it was delicious and wanted more. Almost from the first dose we noticed a change, and she gained flesh, strength and appetite and sleeps well every night.

"I don't believe any one should give a delicate child old-fashioned, nauseating cod liver oil or emulsions when Vinol is so delicious, and when it will do so much more good than any other tonic. It is simply a wonderful medicine for weak, puny children and I am recommending it to my friends."

We guarantee Vinol will make weak, puny children strong, robust and rosy, strengthen and invigorate old people and build up the run down, tired and debilitated as nothing else can. If it fails we willingly return every dollar paid for it. Penny's Drug Store.

Some Seasonable Advice.

It may be a piece of superfluous advice to urge people at this season of the year to lay in a supply of Chamberlain's Cough Remedy. It is almost sure to be needed before winter is over, and much more prompt and satisfactory results are obtained when taken as soon as a cold is contracted and before it has become settled in the system, which can only be done by keeping the remedy at hand. This remedy is so widely known and so altogether good that no one should hesitate about buying it in preference to any other. It is for sale by all druggists.

A movement has been started in Atlanta to raise by popular subscription in the South \$60,000, or a sum sufficient to pay the duty on the presents bestowed upon Miss Alice Roosevelt, daughter of the president, during her trip through the Orient. The plan is intended to show the appreciation of the South for his recent efforts in behalf of peace between Russia and Japan, in inaugurating the construction of the Isthmian Canal and other acts of his administration which have endeared him to the people of all sections, without regard to political affiliations.

Don't Borrow Trouble.

It is a bad habit to borrow anything, but the worst thing you can possibly borrow, is trouble. When sick, sore, heavy, weary and worn-out by the pains and poisons of dyspepsia, biliousness, Bright's disease, and similar internal disorders, don't sit down and brood over your symptoms, but try for relief to Electric Bitters. Here you will find sure and permanent forgetfulness of all your troubles, and your body will not be burdened by a load of debt disease. At G. L. Penny's, Stanford, Lyne Bros., Crab Orchard. Price 50c. Guaranteed.

John Pearl, the editor, has been seriously ill all week. The remainder of the force hopes and believes he is spiritually prepared for whatever may come, but is apprehensive as to whether or not under existing financial conditions his departure would be feasible.—London Local.
